Save A Life Adopt a Pet And Spay/Neuter

Where We Are Going

We are currently in the process of establishing a low cost spay/neuter program. Millions of healthy cats and dogs end up in shelters and are euthanized each year. Not spaying and neutering your pet is at the root of this problem.

We are looking to the Lincoln veterinary community to become involved with this project and work to solve the animal overpopulation problem. **If you are a veterinarian wishing to assist us in this endeavor please contact us at 402-817-1168 or Info@LincolnAnimalAmbassadors.org**

Who We Are

We are a grassroots organization that promotes enrichment of our community through progressive thinking, education, awareness, and public support.

We are committed to improving the lives of animals and alleviating cruelty in Lincoln and the surrounding area.

The Pet Food Bank Program

Was established to provide temporary food assistance to people for their pets. In so many cases, animals have greatly assisted people in obtaining and retaining their physical and mental health. It is tragic when we undergo financially unstable times and can no longer afford to keep our pets.

This Pet Food Bank is funded entirely by donations.

Find our on-line application at www.LincolnAnimalAmbassadors.org or call 402-817-1168

We accept donations of pet food (including bird, fish, guinea pig, rabbit, dog and cat treats) or cat litter, leashes, collars, beds etc, and you may drop them off at
